IMPORTANT INFORMATION: Show management reserves the right to combine, split, cancel, limit or move classes and divisions as entries warrant, which could mean divisions may change days on which they run or rings in which they are held. Classes may not necessarily be run in the order listed in the class lists. It is the responsibility of the rider to inform the show secretary of any time conflicts as soon as possible after receiving the schedule. Management reserves the right to change officials, limit entries or divisions, combine or cancel classes, modify the schedule, and to modify or cancel awards and/or make whatever changes are required by circumstances to the competition specifications listed herein. Show Management reserves the right to cancel classes insufficiently filled and to refuse or require withdrawal of an entry for cause deemed sufficient by Show Management. Changes will be posted in the Facebook event, sent via email to the email on the entry form and posted in the show office. The Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of, or incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by the Horse Show Management; its decision to be final.

TREATMENT OF HORSES: Show Management will enforce the fair and humane treatment for all horses participating in the Thoroughbred Incentive Program (T.I.P.) Championships.

Reports of inappropriate code of conduct may be made at any time to the Show Manager. Any verbal or physical act of discourtesy toward a judge, show official, volunteer, show staff or staff member on the part of a

trainer, owner, rider, handler, groom, family member or person associated with an entry is a violation of the Code of Conduct. Persons found by Show Management to be in violation of this Code of Conduct will be unable to participate in the remainder of the show, will forfeit all fees and awards from previous classes and divisions, and will be ineligible to show at the T.I.P. Championships in 2021 and/or future years.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. T.I.P. PERFORMANCE AWARDS:

THE THOROUGHBRED INCENTIVE PROGRAM'S YEAR END "POINTS" PROGRAM

The T.I.P. Performance Awards are the year-end, self-reported competition awards of The Jockey Club Thoroughbred Incentive Program. The Performance Awards are **completely self-reported** by the Thoroughbred's owner or rider based on their participation in all shows and competitions. The awards recognize the Thoroughbreds accumulating the most points in each of the 13 categories and over 80 divisions, as well as Junior Riders and horses adopted from accredited aftercare organizations. To encourage the retraining of Thoroughbreds into other disciplines upon completion of their racing career, three categories and 12 divisions are limited to horses in their first two years off the racetrack.

The Performance Award Year is December 1 through November 30. Thoroughbreds accumulate points at all horse shows, horse trials, and other horse events. Shows must be recognized by an international, national, state or local organization and must be open to all participants. Horse shows do not have to offer T.I.P. awards to be included in the Performance Awards. All results and miles reported by owners and riders must be supported by horse show or competition results and will be verified by T.I.P. Only verified points and miles will be counted toward the Performance Awards. If results or mileage cannot be verified, the points will not be counted toward the award.

IT IS THE SUBMITTING OWNER'S OR RIDER'S RESPONSIBILITY TO PROVIDE VERIFICATION.

Performance Award points can be submitted electronically through your online account at www.tjctip.com or on paper forms. All forms and supporting documentation must be submitted by December 20.

THE U.S. EVENTING ASSOCIATION'S AMERICAN EVENTING CHAMPIONSHIPS

August 31–September 5
Kentucky Horse Park, Lexington, Kentucky

The USEA American Eventing Championships (AEC) are the pinnacle of the sport for the national levels. This ultimate test of horse and rider draws hundreds of horses and riders from around the country to compete for fabulous prizes, a piece of the substantial prize money, and the chance to be named the National Champion at their respective levels.

The AEC made history in 2021 with a record number of entries. The best junior, adult amateur and professional competitors gathered to vie for national championship titles at every level from Beginner Novice to Advanced.

As a Silver Level Sponsor of the 2021 USEA American Eventing Championships, The Jockey Club awards Thoroughbred Incentive Program (T.I.P.) prizes for all AEC divisions for Champion and Reserve Champion Thoroughbred winners. T.I.P. was created to recognize Thoroughbreds that are exceling in a second career upon completion of their racing career, and the AEC lends the optimal platform to recognize those Thoroughbreds that are exceling in eventing. Further, the recognition of Thoroughbreds also rewards the owners and trainers who have chosen to retrain a Thoroughbred.

Congratulations to the 2021 T.I.P. winners at the USEA American Eventing Championships:

USEA YOUNG EVENT HORSE AND FUTURE EVENT HORSE CHAMPIONSHIPS

The United States Eventing Association (USEA) Young Event Horse (YEH) Program was first established in 2004 as an eventing talent search. Much like similar programs in Europe, the YEH program was designed to identify young horses that possess the talent and disposition to, with proper training, excel at the uppermost levels of the sport. The ultimate goal of the program is to distinguish horses with the potential to compete at the three- and four-star levels, but many fine horses that excel at the lower levels are also showcased by the program.

The YEH program provides an opportunity for breeders and owners to exhibit the potential of their young horses while encouraging the breeding and development of top event horses for the future. The program rewards horses who are educated and prepared in a correct and progressive manner. At Championships, young horses are also evaluated on their conformation in addition to the dressage test and jumping/galloping/general impression phase. To learn more about the YEH program, visit www.useventing.com/competitions/YEH

The Jockey Club Thoroughbred Incentive Program provides High Point Thoroughbred Awards at the American Eventing FEH and YEH Championships.

The USEA introduced the Future Event Horse (FEH) program in 2007 as a pilot program in response to the popularity of the YEH program. Where the YEH program assesses 4- and 5-year-old prospective event horses based on their performance, the FEH program evaluates yearlings, 2-year-olds, 3-year-olds and 4-year-olds for their potential for the sport based on conformation and type. Horses are presented in hand and divisions are separated by year and gender. At the Championships, 3-year-olds are also required to demonstrate their potential over fences in an additional free-jump division. To learn more about the FEH program, visit www.useventing.com/competitions/FEH

The purpose of the YEH and FEH programs fits well with T.I.P.'s goal of encouraging the retraining of Thoroughbreds upon completion of their racing or breeding careers. The education and preparation Thoroughbreds receive at the racetrack and in the sales ring contributes to their success in the program's evaluation. Recognizing that the YEH and FEH Programs offer a fantastic platform to promote their common goal with the USEA, The Jockey Club's Thoroughbred Incentive Program (T.I.P.) offers T.I.P. high point awards at the YEH Championships and FEH Championships.

“The Thoroughbred is one of the most versatile breeds with the biggest heart. The Thoroughbred Incentive Program is an amazing venue to bring awareness to the breed’s ability to have successful careers after the track.”

DIGITAL CERTIFICATES OF FOAL REGISTRATION

Beginning with foal crop of 2018, The Jockey Club began issuing digital Certificates of Foal Registration instead of paper certificates. In order to receive a digital Certificate of Foal Registration from The Jockey Club or any other individual, race track or sales company, one must have an active Jockey Club Interactive Registration (IR) account. If you have a T.I.P. number for your horse(s), you already have an IR account and will be able to receive and assign digital certificates. If you do not have an account, simply sign up at www.registry.jockeyclub.com. The process is easy and the account is free.

To determine the current certificate manager/holder for any Thoroughbred foaled in 2018 or after, users will log on and check REGISTRATION STATUS from the homepage of your IR account. To receive a Certificate of Foal Registration, the current certificate manager must assign the certificate from their IR account to the new owner's IR account. The process is easily accomplished in minutes from your smart phone, tablet, laptop or PC with an internet connection. Once completed, the new certificate manager receives an email from Registry Alert, notifying them of the assignment. When you log on to your Jockey Club Interactive Registration account, you will see an option under DIGITAL CERTIFICATES labeled CERTIFICATE MANAGEMENT that will display the certificates currently assigned to your Interactive Registration account. Digital Certificates are not available for horses foaled prior to 2018.

For purposes of eligibility for all T.I.P. classes and awards, a "Thoroughbred" is defined as any horse that has been registered with The Jockey Club or a foreign Thoroughbred stud book recognized by The Jockey Club. In order to participate in a T.I.P. class or be eligible for a T.I.P. award, owners and riders must obtain a T.I.P. Number.

THOROUGHBRED RECREATIONAL RIDING INCENTIVE PROGRAM

Get rewarded for riding your Thoroughbred! The Thoroughbred Recreational Riding Incentive Program (TRRIP) is designed to recognize and reward Thoroughbred owners and riders who enjoy recreational riding or driving on a regular basis. All riding or driving must be done on trails (including competitive trail rides), endurance rides or other organized group rides (including hunts and hunter paces). Arena riding, lesson hours and show hours are not eligible. For more information: www.tjctip.com/About/TBRR
