

Microchips now available from The Jockey Club!

Microchips may be helpful in establishing identity of Thoroughbreds involved in horse shows, domestic or international travel, and in the event a horse is lost or stolen. Additionally, as of Dec. 1, 2017, US Equestrian will require a horse microchip for horses and ponies competing in classes that require United States Hunter Jumper Association horse registration. And T.I.P. will be scanning for microchips at the 2017 T.I.P. Championships! Reporting of the microchip number for Thoroughbreds to The Jockey Club is included with the cost of the microchip as a convenience for owners, breeders and their agents.

The Jockey Club offers microchips for \$15 each (plus tax in New York and Kentucky). If you wish to pay by check, use the Order Form below. If you wish to pay by credit card, order online (see instructions below) or call the Registry office (800-444-8521).

To order online:

1. Go to www.registry.jockeyclub.com
2. Sign into your IR account. Don't have an account? Click the SIGN UP button to create a new account.
3. Click on MICROCHIPS LOOKUP, REQUEST, & REPORTING on the far right.
4. Complete the fields under Microchip Request and click Continue.
5. Verify the shipping information and click Continue.
6. Verify the inquiry information and click Continue.
7. Review the information and click Submit.
8. Read the disclaimer and click button to continue.
9. Submit your Request.
10. To pay by credit card, click Make a Payment.
11. Fill out the payment information and click Finish and Pay.
