**The U.S. Eventing Association's American Eventing Championships**  
**August 31–September 5**  
**Kentucky Horse Park, Lexington, Kentucky**

The USEA American Eventing Championships (AEC) are the pinnacle of the sport for the national levels. The AEC will make history in 2021 with a record number of entries. The best junior, adult amateur and professional competitors gather to vie for national championship titles at every level from Beginner Novice to Advanced. This ultimate test of horse and rider draws hundreds of horses and riders from around the country to compete for fabulous prizes, a piece of the substantial prize money, and the chance to be named the National Champion at their respective levels.

As a Silver Level Sponsor of the 2021 USEA American Eventing Championships, The Jockey Club will award Thoroughbred Incentive Program (T.I.P.) prizes for all AEC divisions to include coolers, ribbons, and prize money for Champion and Reserve Champion Thoroughbred winners. T.I.P. was created to recognize Thoroughbreds that are exceling in a second career upon completion of their racing career, and the AEC lends the optimal platform to recognize those Thoroughbreds that are exceling in eventing. Further, the recognition of Thoroughbreds also rewards the owners and trainers who have chosen to retrain a Thoroughbred.

The 2019 AEC at the Kentucky Horse Park boasted over 900 starters between the Championship and festival divisions. New in 2021, the AEC will host a new Modified Championship.

## **USEA Young Event Horse and Future Event Horse Championships**

The United States Eventing Association (USEA) Young Event Horse (YEH) Program was first established in 2004 as an eventing talent search. Much like similar programs in Europe, the YEH program was designed to identify young horses that possess the talent and disposition to, with proper training, excel at the uppermost levels of the sport. The ultimate goal of the program is to distinguish horses with the potential to compete at the three- and four-star levels, but many fine horses that excel at the lower levels are also showcased by the program.

The YEH program provides an opportunity for breeders and owners to exhibit the potential of their young horses while encouraging the breeding and development of top event horses for the future. The program rewards horses who are educated and prepared in a correct and progressive manner. At Championships, young horses are also evaluated on their conformation in addition to the dressage test and jumping/galloping/general impression phase. To learn more about the YEH program, visit [www.useventing.com/competitions/YEH](http://www.useventing.com/competitions/YEH)

The USEA introduced the Future Event Horse (FEH) program in 2007 as a pilot program in response to the popularity of the YEH program. Where the YEH program assesses 4- and 5-year-old prospective event horses based on their performance, the FEH program evaluates yearlings, 2-year-olds, 3-year-olds and 4-year-olds for their potential for the sport based on conformation and type. Horses are presented in hand and divisions are separated by year and gender. At the Championships, 3-year-olds are also required to demonstrate their potential over fences in an additional free-jump division. To learn more about the FEH program, visit [www.useventing.com/competitions/FEH](http://www.useventing.com/competitions/FEH)

The purpose of the YEH and FEH programs fits well with T.I.P.'s goal of encouraging the retraining of Thoroughbreds upon completion of their racing or breeding careers. The education and preparation Thoroughbreds receive at the racetrack and in the sales ring contributes to their success in the program's evaluation. Recognizing that the YEH and FEH Programs offer a fantastic platform to promote their common goal with the USEA, The Jockey Club's Thoroughbred Incentive Program (T.I.P.) offers

**The Jockey Club T.I.P. provides high point Thoroughbred Awards at the FEH and YEH Championships.**

## Performance Awards: The Thoroughbred Incentive Program's Year End "Points" Program

The T.I.P. Performance Awards are the year-end, self-reported competition awards of The Jockey Club Thoroughbred Incentive Program. The Performance Awards are **completely self-reported** by the Thoroughbred's owner or rider based on their participation in all shows and competitions. The awards recognize the Thoroughbreds accumulating the most points in each of the 13 categories and over 80 divisions, as well as Junior Riders and horses adopted from accredited aftercare organizations. To encourage the retraining of Thoroughbreds into other disciplines upon completion of their racing career, three categories and 12 divisions are limited to horses in their first two years off the racetrack.

The Performance Award Year is December 1 through November 30. Thoroughbreds accumulate points at all horse shows, horse trials, and other horse events. Shows must be recognized by an international, national, state or local organization and must be open to all participants. Horse shows do not have to offer T.I.P. awards to be included in the Performance Awards. All results and miles reported by owners and riders must be supported by horse show or competition results and will be verified by T.I.P. Only verified points and miles will be counted toward the Performance Awards. If results or mileage cannot be verified, the points will not be counted toward the award.

Where to start? Review the Performance Awards program information at [www.tjctip.com/About/TBPAFI](http://www.tjctip.com/About/TBPAFI).

IT IS THE SUBMITTING OWNER'S OR RIDER'S RESPONSIBILITY TO PROVIDE VERIFICATION.

Performance Award points can be submitted electronically through your online account at [www.tjctip.com](http://www.tjctip.com) or on paper forms. All forms and supporting documentation must be submitted by December 20.
