RULES, REGULATIONS & POLICIES

IMPORTANT INFORMATION: Show Management reserves the right to combine, split, cancel, limit or move classes and divisions as entries warrant, which could mean divisions may change days on which they run or rings in which they are held. Classes may not necessarily be run in the order listed in the class lists. It is the responsibility of the Rider to inform the Show Secretary of any time conflicts as soon as possible after receiving the schedule. Management reserves the right to change officials, limit entries or divisions, combine or cancel classes, modify the schedule, and to modify or cancel awards and/or make whatever changes are required by circumstances to the competition specifications listed herein. Show Management reserves the right to cancel classes insufficiently filled and to refuse or require withdrawal of an entry for cause deemed sufficient by Show Management. Changes will be posted in the Facebook event, sent via email to the email on the entry form and posted in the show office. Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of, or incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management; its decision to be final.

TREATMENT OF HORSES: Show Management will enforce the fair and humane treatment for all horses participating in the Thoroughbred Incentive Program (T.I.P.) Championships. Any horse that arrives at the Kentucky Horse Park with a Henneke Body Condition Score below 4.0 (out of 9.0) will not be allowed to compete. Information on Body Condition Scoring can be found at this link: [body-condition-score-chart.pdf](#). Horses can be excused from competition at any time for the following reasons: unsoundness, dangerous or out of control riding, or poor horsemanship/sportsmanship on the part of the competitor or any person associated with a competitor or entry. If a horse is excused for any of the above reasons it must leave the competition arena immediately and receive approval from Horse Show Management before participating in any further portion of the competition.

PARTICIPATING RIDER CODE OF CONDUCT: The Jockey Club (TJC) expects appropriate behavior from all riders, trainers, spectators and others participating in any TJC event, including events held in conjunction with TJC events. Inappropriate behavior may include, but is not limited to: possession, use or distribution of any illegal drugs; profanity, vulgar language or gestures; harassment (i.e., using words or actions that intimidate, threaten or persecute others before, during or following TJC activities); failure to follow rules; and abusing a horse. Reports of inappropriate code of conduct may be made at any time to Horse Show Management via email, text, phone call or in-person. Any verbal or physical act of discourtesy toward a judge, show official, volunteer, show staff or staff member on the part of a trainer, owner, rider, handler, groom, family member or person associated with an entry is a violation of the Code of Conduct. Persons found by Show Management to be in violation of this Code of Conduct will be unable to participate in the remainder of the show, will forfeit all fees and awards from previous classes and divisions, and will be ineligible to show at the T.I.P. Championships in 2022, and/or at events held in conjunction with T.I.P. Championships and/or T.I.P. Championships in future years.

THOROUGHBRED MAKEOVER RULES: The following Thoroughbred Makeover Rules apply to T.I.P. Championships: Code of Conduct; Horse Welfare – Drug Testing; Horse Welfare – Abuse and Neglect; Horse Welfare – Coggins; Health Certificates; and Vaccination Records; COVID-19 or other public health crisis. See [therrp.org/](#) and click on Thoroughbred Makeover, then Rulebook.

REQUIRED COGGINS, HEALTH CERTIFICATES, AND VACCINATION RECORDS: All horses on the grounds of the Kentucky Horse Park are required to have:

1. Current (within 12 months) proof of negative Coggins; and
2. A health certificate. Health certificates must be issued within 30 days of entrance to Park for out-of-state horses and within 12 months of entrance to Park for in-state horses; and
3. Proof of vaccination for equine herpesvirus-1 (EHV-1 or “Rhino Flu”). Records must reflect vaccine administration no more than six months (April 10, 2022) and no less than 14 days (September 26, 2022) prior to arrival at the Kentucky Horse Park. This means that every horse at the Kentucky Horse Park during the T.I.P. Championships must have been vaccinated for EHV-1 between April 10 and September 26, 2022. The following are the only forms of accepted vaccination documentation: a. Bill/receipt with vet practice name, contact info, date, and horse’s name, indicating EHV-1 administration b. A letter on practice letterhead, signed and dated, certifying administration c. Name and vaccine type noted by veterinarian on signed health certificate/import documents.

Participants should be prepared to show these documents upon arrival at the Kentucky Horse Park, at check-in, and at any point throughout the event. Horses with insufficient health paperwork at arrival to Park grounds may be stopped by the State Veterinarian, not permitted to enter the grounds and asked to leave. Horses with insufficient health paperwork at check-in with the competition office will be immediately quarantined and asked to leave the grounds.

ENTRIES: Entries open August 1, 2022. The closing date for entries is August 15, 2022.

NO LATE ENTRIES WILL BE ACCEPTED.

1. Barrel Racing competitors will enter through the Thoroughbred Makeover website. All competitors will need a free user account on therrp.org/my-account/makeover/ to access the entry form.
2. Dressage, Western Dressage, Ranch Riding, Halter, Competitive Trail and Pleasure entries will be online via a link available at tjctip.com/About/CSF.

In addition to the entry form, each exhibitor must download and complete the Release, Assumption of Risk, Waiver of Liability, and Indemnity Agreement (“Release”), available at tjctip.com/About/CSF. The Release must include all mandatory signatures, including legal guardian in the case of a minor exhibiting.

STALLS: Stalls are available at a flat rate for the week of \$200 per stall. This fee includes Kentucky Horse Park Equine Facility and Utility fees. Tack stalls will be available for \$200 on a first come, first served basis dependent on stabling capacity. **All competitors must reserve stalls by August 15, 2022.** Barrel racing competitors will pre-reserve stalls through the Thoroughbred Makeover website (therrp.org) and will need a free user account on therrp.org to access the stall reservations. All other T.I.P. Championship competitors will pre-reserve stalls on the online entry form. Ship-ins that are not stabling on the grounds will be charged the Kentucky Horse Park’s \$40 per horse ship-in fee for the event duration in lieu of stabling. This fee will be assessed at the gate and a pass provided to the vehicle. Pass must be displayed in vehicle at all times while on Park grounds.

Stabling fees do not include bedding. Competitors may use their own bedding or may order stabling supplies (bedding, mats, hay, and grain) directly from Dever. Dever is based at the Kentucky Horse Park (<https://deverrentals.com/feed-hay-bedding-paddocks/>; 859-233-9702) and will deliver stabling supplies to stalls prior to the competitor's arrival. Please note that the floors of the 10 x 10 stalls are concrete and therefore require liberal bedding. Competitors are NOT required to strip stalls prior to departure.

Competitor is responsible for night check or arranging night check with Elaine Nicholson 502-604-3786.

All stabling changes must be sent in to the Retired Racehorse Project email (secretary@therrp.org) by 5:00 PM ET Friday, September 9. Any stabling changes after 5:00 PM ET Friday, September 9 will have a fee assessed.

CALCULATION OF DIVISIONS AND HIGH POINT AWARDS

Ranch Riding/Pleasure Division Placements and High Point calculation:

First	10	Ties broken by: <ul style="list-style-type: none">• Most blue ribbons, then• Most horses beat, then• Ranchmanship or Horsemanship class
Second	6	
Third	4	
Fourth	2	
Fifth	1	
Sixth	0.5	

Dressage Division Placements and High Point calculation: High Point will be based on the best single test per horse/rider combination. Division placements will be based on the average of the two tests. In case of a tie, the horse/rider with the highest single score is the winner; if the highest scores are the same, the next highest scores will be considered until the tie is broken.

For Divisions where multiple levels are combined (2nd through 4th, FEI, Western), when calculating the Division awards, points will be added to the final percentage score based on the degree of difficulty of the test as follows:

- Second Level, Western Dressage Basic Level, Intermediate I = +1
- Third Level, Western Dressage Level 1, Intermediate II = +3
- Fourth Level, Western Dressage Level 2 or 3, Grand Prix = +5
- Western Dressage Level 4 or 5 = +7

Barrel Racing: Placements and High Point calculations will be based on Division average. In the case of a tie in the Division Average, the tie-breaker will be the fastest time from the second go-round.

Competitive Trail Division Placements and High Point calculation: High Point and Division placements will be based on combined score of the two courses. Ties will be broken by tie-breaker obstacles (up to 3).

DOGS: In accordance with Fayette County (KY) law, all dogs on the Kentucky Horse Park grounds must be on a leash. Dogs cannot run-at-large, even under voice command, and they must wear their current license and rabies tags at all times.

COMPETITIVE TRAIL DIVISION SPECIFICATIONS

The purpose of the competitive trail divisions is to demonstrate a horse's ability to be a trail horse, capable of maneuvering through a course of obstacles with physical skill, expression and a good mental attitude. You are being judged on your partnership with your horse. Your horse will be judged on attitude and performance. High scores are achieved by negotiating and completing obstacles smoothly, with balance and even cadence, surefootedness, and confidence. An ideal trail obstacle horse is one that is confident and willingly responds correctly to the rider's cues. Ultimately, the trail horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles. Major penalties may be assessed for performance of obstacles out of sequence, mistreatment of horses or going off course. In the mounted division, if a rider becomes dismounted and/or the horse runs loose, the horse is disqualified for that course. In the in-hand division, if the horse runs loose, the horse is disqualified for that course.

Horses will complete a course of eight (8) obstacles individually within a maximum time that will be provided based on the course design. Horses will need to be prepared to encounter a variety of obstacles including, but not limited to, water crossing, dragging items, challenges to visual perception (e.g., water box), challenges to tactile stimulation (e.g., pool noodles, cowboy curtains), tests of surefootedness (e.g., bridges, raised poles), tasks while riding (e.g., mailboxes, picking up and carrying items), mounting/dismounting, backing, sidepassing, turns, and encounters with objects. Horses may be cross-entered in the Mounted and In-Hand divisions. Horses are not allowed within 100 feet of any obstacle in advance of their ride. No schooling of obstacles is permitted at any time. A list of potential competition obstacles will be made available by July 1 at www.tjctip.com.
