1. Current (within 12 months) proof of negative Coggins; and
2. A health certificate. Health certificates must be issued within 30 days of entrance to Park for out-of-state horses and within 12 months of entrance to Park for in-state horses; and

Records must reflect vaccine administration no more than six months (April 10, 2022) and no less than 14 days (September 26, 2022) prior to arrival at the Kentucky Horse Park. The following are the only forms of accepted vaccination documentation: a. Bill/receipt with vet practice name, contact info, date, and horse’s name, indicating EHV-1 administration b. A letter on practice letterhead, signed and dated, certifying administration c. Name and vaccine type noted by veterinarian on signed health certificate/import documents.

Participants should be prepared to show these documents upon arrival at the Kentucky Horse Park, at check-in, and at any point throughout the event. Horses with insufficient health paperwork at arrival to Park grounds may be stopped by the State Veterinarian or her designee, not permitted to enter the grounds and asked to leave. Horses with insufficient health paperwork at check-in with the competition office will be immediately quarantined and asked to leave the grounds.
